

# DESIGNATED FUND

*Supporting selected charities each year.*

## Easy, Annual Giving

Designated Funds provide annual, ongoing support for your favorite charitable causes. You select the specific charity(ies) you want to support and the Foundation will send an annual grant with your Fund Name, forever. Your favorite charity(ies) will be able to count on this annual, sustainable revenue source, giving them more time to have success fulfilling their mission(s).

## How It Works

- You make an initial minimum contribution of \$5,000 or more to the Community Foundation of NCW.
- You establish a name for your fund.
- You select the charity(ies) the fund will support each year.
- A spendable balance of the fund will be used for the annual disbursements.
- The Foundation handles all administrative details and disburses the grants in the name of your fund

Margaret Mead famously said “Never doubt that a small group of thoughtful, committed citizens can change the world.” That’s exactly what it took to build the Tonasket Community Pool. The town came together and raised funds to build the pool for their community, which has become a central space for families during the hot summer months. A small committee charged with leading the undertaking chose to endow a Designated Fund at the Foundation to support swim lessons and general operations, overseen by the Parks and Recreation District. The fund will grow over time and provide long-term financial stability for the pool. Because new gifts can be added at any time, the Tonasket Community Pool Fund received its first bequest from a community member, adding to the annual support the pool receives that will continue to benefit the community.
