CONGRATULATIONS 2022 SCHOLARSHIP AWARD STUDENTS!

The Community Foundation of NCW is proud to honor and recognize our 2022 Scholarship Award Recipients! This year, the Foundation awarded over $1.1M in scholarships to 216 students, most of whom come from North Central Washington, but all who have been awarded scholarships for their dedication, commitment, resiliency, and character. Each scholarship is established by donors who aim to financially support the post-secondary dreams of our NCW youth! This fall, they are attending community colleges, universities, and trade schools and will become our next generation of leaders in their fields. Many hope to return to our region and give back their time and talents to the communities they love. Join us in celebrating their achievements and wishing them well as they begin, or continue, on their journey!

“I have dedicated my life to academia and have focused my mindset on furthering my education to truly embody the American Dream. I have made a lot of sacrifices while still embracing my Hispanic heritage. This scholarship confirms that everything I have accomplished and was not taken for granted. I am excited to start this next chapter of my life and your scholarship is a tremendous contribution to my academic goals for the next 4 years.”

Wenatchee High School; Attending Columbia University

I want to learn how to turn my interests into real, tangible change by pursuing a degree in Political Science with a minor in English at a liberal arts institution. After my undergraduate, I hope to continue my education through a domestic or abroad doctoral program to delve deeper into the world of electoral and campaign politics. After my formal education, I hope to return to the Wenatchee Valley to run for the State Senate or State Congress and give back to my community.

“...My inspiration to pursue a higher education are my parents who didn’t have the opportunity to get pastw middle school. Due to not having enough money in their household they had to start working at a young age. Ever since I was young I understood that pursuing a higher education and specializing in a career will give me more opportunities and will open more doors both for my parents and I. This will give me the ability to provide for my family and take care of them.”

“At a young age I learned that everyone could make a difference if they listen to what calls them. I am inspired to pursue higher education in order to make a difference in the world. My love for the ocean and all its life has led me to pursue Environmental Studies and Marine Biology. I hope to make a difference in the health and longevity of the oceans. Not only do I love the ocean, but I feel a passion for protecting it.”

LEAVING A LEGACY
Many of our scholarships are possible thanks to those who have left a legacy in their community by naming a Community Foundation scholarship in their will or estate plan. These donors, and others who leave legacies to the Foundation in other ways, are recognized as our Heirloom Society Legacy Circle. As an heirloom is something that is passed down to generations, these special gifts will continue to provide financial support for students for generations to come.

To learn more, visit www.cfncw.org/heirloomsociety.

<tr>
<td>Brayden Ames</td>
<td>WestSide High School; Attending Eastern Washington University. I come from a fairly large family and many of its members have worked in healthcare. Growing up I had always admired their work ethic and drive and I decided by middle school that the healthcare field was my calling. I decided to pursue becoming a Physicians Assistant by the end of 7th grade and have never looked back. I feel a strong pull to help people and I am excited and passionate about the healthcare field of work.</td>

**HOW DO COMMUNITY FOUNDATION SCHOLARSHIPS WORK?**

Each of our 130+ scholarships is established by an individual, family, or business that aims to ease the financial burden for students attending community college, university, or trade schools. The donor(s) establish the criteria, such as supporting students attending their alma mater, or majoring in a certain field, community involvement, or honoring a loved one. The minimum investment is $10,000 which creates an endowed fund where the principal is held in perpetuity and 5% of the balance of the fund is used as the award each year. As the fund grows through investment and additional donations, the annual award amount grows as well - and since it’s endowed, it will award scholarships forever!
The Community Foundation of NCW extends a HUGE Thank You to the 280 volunteers that spend many hours reviewing and evaluating thousands of scholarship applications and carefully selecting the recipients. Each scholarship has its own committee comprised of community members that care about supporting students in our region. We appreciate their time, dedication, and thoughtful collaboration in this effort to ensure they select the students that best matches the intent and spirit of the scholarship.

THANK YOU SCHOLARSHIP COMMITTEE VOLUNTEERS!

The Community Foundation of NCW extends a huge thank you to the 280 volunteers that spend many hours reviewing and evaluating thousands of scholarship applications and carefully selecting the recipients. Each scholarship has its own committee comprised of community members that care about supporting students in our region. We appreciate their time, dedication, and thoughtful collaboration in this effort to ensure they select the students that best matches the intent and spirit of the scholarship.
